

1ST JSCE-CCES JOINT SYMPOSIUM OF CIVIL ENGINEERING (JCJSCE)
OCTOBER 21-24, 2016, TOKYO, JAPAN

-Bridge and Tunnel-

Japan Society of Civil Engineering &
China Civil Engineering Society

CONFERENCE VENUE

INTRODUCTION

The 1st JSCE-CCES Symposium of Civil Engineering-Bridge and Tunnel-, will be held in October 21-24 at Tokyo. The main topic of the symposium is the sustainable development of bridge and tunnel engineering. Great attention will be paid to the plan, design and construction of new projects, the operation, maintenance and renewing of existing facilities, and the new materials used in the construction. Special concern will also be focused on the modernized information and intelligent technologies in the bridge and tunnel engineering. It is admitted that the sustainable development of infrastructure should be based on global viewpoint. For this reason, this symposium would like to provide a professional platform for the researches and engineers from both sides of Japan and China to discuss and exchange the ideas and concerns on the newest developments in bridge and tunnel engineering.

Co-Chairman of JCJSCE
Tamon Ueda, Professor
School of Engineering
Hokkaido University, Japan

Co-Chairman of JCJSCE
Yongsheng Li, Professor
School of Civil Engineering
Tongji University, China

ORGANIZATION

Co-Chairman of JCJSCE

Tamon Ueda, Professor
School of Engineering
Hokkaido University, Japan

Co-Chairman of JCJSCE

Yongsheng Li, Professor
School of Civil Engineering
Tongji University, China

SECRETARY

Dr. Feng Zhang, Professor
Department of Civil Engineering
Nagoya Institute of Technology, Japan

Dr. Xiongyao Xie, Professor
Department of Geotechnical Engineering
Tongji University, China

ORGANIZING COMMITTEE

T. MATSUMOTO, Hokkaido University
Y. OKUI, Saitama University
S. AKUTAGAWA, Kobe University
Y. Jiang, Nagasaki University
J. DANG, Saitama University

M. H. LIU, CTI Engineering International Co., Ltd.
L. M. SUN, Tongji University
Y. YUAN, Tongji University
X. Y. XIE, Tongji University
Y. Shibuya, JSCE IAC staff

CONFERENCE TOPICS

- (1) Risk evaluation of bridge and tunnel construction and corresponding future development in transportation
- (2) Seismic and anti-wind designs for long-span bridge and corresponding construction techniques
- (3) Design for long-span seabed immersed tunnel and corresponding construction techniques
- (4) TBM construction techniques for non-circle or huge-diameter tunnels
- (5) Monitoring techniques for bridge and tunnel during the construction or after the operation
- (6) Advanced maintenance, curing and enhancing techniques for bridge and tunnel

CONFERENCE VENUE

JSCE HQ: Auditorium and meeting rooms, Yotsuya 1-chome, Shinjuku-ku, Tokyo JAPAN 160-0004

URL: <http://www.jsce-int.org/>

Access

It takes a few minutes to get to the Headquarter of JSCE from the following stations.

- JR Line: Yotsuya Station, Yotsuya Exit
- Subway: Marunouchi Line: Yotsuya Station, Exit 1
- Subway: Nanboku Line: Yotsuya Station, Exit 3

IMPORTANT DATES

Extended-abstract (approx. 2 page-abstract) will be written and submitted by speakers before September 30. The proceedings of symposiums will contain those submitted abstracts and will be uploaded on symposium website.

REGISTRATION FEE

12,000~18,000 Yen/person (Including the fees for technical tour, but not including one-night accommodation), basically paid on site.

Welcome reception fee: 4,000 Yen

LUNCH & WELCOME RECEPTION

Lunch will be at Restaurant (**to be decided**), 5 minute walk from Conference Venue (JSCE HQ).

Welcome reception will be held at Restaurant (**to be decided**), 5 minute walk from Conference Venue (JSCE HQ)

PROGRAM FOR ORAL PRESENTATION (draft)

[2×2 keynote (60 min), 25 × 2 =50 oral presentations (20min)]

Theme: Bridge; Venue: Main hall,

[1st day, October 21]

10:00~10:30 Opening ceremony: JSCE president, Prof. Ueda and Prof. Li of CCES

Session 1 10:30~11:30 Chairperson: **to be decided**
KEYNOTE 1 (45 minutes presentation+15 minutes Q&A) ×1 **to be decided**

11:30~13:00 Lunch

Session 2 13:00~14:40 Chairperson: **to be decided**
(15 minutes presentation+5 minutes Q&A)×5

14:40~15:00 Coffe break

Session 3 15:00~17:00 Chairperson: **to be decided**
(15 minutes presentation+5 minutes Q&A)×6

17:30~19:30 Welcome reception
(Restaurant: **to be decided**)

[2nd day, October 22]

Session 4 9:00~10:20 Chairperson: **to be decided**
(15 minutes presentation+5 minutes Q&A)×4

10:20~10:40 Coffe break

Session 5 10:40~12:00 Chairperson: **to be decided**
(15 minutes presentation+5 minutes Q&A)×4

12:00~13:00 Lunch

Session 6 13:00~15:00 Chairperson: **to be decided**
(15 minutes presentation+5 minutes Q&A)×6

15:00~15:20 Coffe break

Session 7 15:20~16:20 Chairperson: **to be decided**
KEYNOTE 2 (45 minutes presentation+15 minutes Q&A) ×1 **to be decided**

Theme: Tunnel; Venue: Meeting room A

[1st day, October 21]

10:00~10:30 Opening ceremony: JSCE Chairman Speech, Photo and Announcement

Session 8 10:30~11:30 Chairperson: **to be decided**
KEYNOTE 3 (45 minutes presentation+15 minutes Q&A) ×1 **to be decided**

11:30~13:00 Lunch

Session 9 13:00~14:40 Chairperson: **to be decided**
(15 minutes presentation+5 minutes Q&A)×5

14:40~15:00 Coffe break

Session 10 15:00~17:00 Chairperson: **to be decided**
(15 minutes presentation+5 minutes Q&A)×6

17:30~19:30 Welcome reception
(Restaurant: **to be decided**)

[2nd day, October 22]

Session 11 9:00~10:20 Chairperson: **to be decided**
(15 minutes presentation+5 minutes Q&A)×4

10:20~10:40 Coffe break

Session 12 10:40~12:00 Chairperson: **to be decided**
(15 minutes presentation+5 minutes Q&A)×4

12:00~13:00 Lunch

Session 13 13:00~15:00 Chairperson: **to be decided**
(15 minutes presentation+5 minutes Q&A)×6

15:00~15:20 Coffe break

Session 14 15:20~16:20 Chairperson: **to be decided**
KEYNOTE 4 (45 minutes presentation+15 minutes Q&A) ×1 **to be decided**

16:20~16:30 Closing ceremony

【3rd & 4th day, October 23-24】

Two-day Technical Tour, one-night staying at Nikko City, Tochiki Prefecture

Construction site in Metropolitan Tokyo

(Fee for non-registered accompany person: 10,000 Yen)
